PRODUCT INTRODUCTION

It was a tribute to the emperor of Japan, and being so nice and tasty, we just don't brag! To make delicious Hualien sweet potato cake, we must use the first-class materials. あんこいも (also called Hualien sweet potato cake) adopts the sweet potato of white skin and yellow flesh that is of higher starch, and that the finished products are looser and more aromatic; then, remove the skin of the entire sweet potato after it is steamed until cooked

(the method of ordinary stores is peeling first, and then steaming it), so as to keep the original flavor of sweet potatoes.

Furthermore, adding a little bit bean paste and mixing evenly, spreading beaten eggs on it for two times, and then putting into the oven, there comes the sweet and fragrant, soft and fluffy Hualien sweet potato cake.
